5/24/06	A06-04-012	Pacific Gas and Electric Company, for approval of long-term request for offer results and for adoption of cost recovery and ratemaking mechanisms.
---------	------------	--

Summary: On May 19, 2006, Stacy Aguayo of APS Energy Services, representing the Alliance for Retail Energy Markets (AReM), met with Cmmr. Peevey in Los Angeles. Nancy Ryan, advisor to Cmmr. Peevey, participated in the meeting by video link from San Francisco. Also present at the meeting were Gregory Kosier of Constellation NewEnergy and Daniel Douglass of Douglass & Liddell, counsel, for AReM. AReM discussed cost allocation aspect of the Pacific Gas and Electric Company (PG&E) Long-Term Request for Offers. Douglass noted that AReM's opposition concerns solely the cost allocation proposal and not the contracts for which PG&E seeks Commission approval. AReM representatives

stated, among other things, that the cost allocation proposal is inconsistent with the PG&E procurement plan approved by the Commission and raises distinct anti-competitive implications that should cause it to be rejected by the Commission.
